Marshall and Caldwell Reunion Held Labor Day

Sept 12 — The Marshall-Caldwell family reunion was held on Labor Day Sunday at the home of Mr. and Mrs. Forrest Marshall near Spout Spring. About 200 members of the clan were present. The picnic tables were laden with all the good foods that make up a picnic.

The president, Ed L. Caldwell, gave the welcoming address. A list of those who had passed on since our last meeting was read, and those bereaved families were remembered in the Invocation which was offered by Leighton Caldwell.

After the picnic dinner was served a business meeting was called for the nomination and election of new officers for the next two years. Ben Marshall, of Appomattox was elected president and Leighton Caldwell, of Madison Heights was elected vice-president.

The social hours which follow-ed were enjoyed by all. We were honored by having Miss Hazel Moon, a missionary of Nigeria, visit with us.

Small gifts were awarded the two oldest ladies, and two oldest gentlemen present. Mrs. T. W. Odor, Appomattox, and Mrs. T. L. Stephens, Dunn, N. C., and C. H. Marshall, Lynchburg and Eugene Caldwell, Appomattox.

Our thanks are extended to Forrest and his bride for their hospitality, and the privilege of continuing to meet at the same place as we have enjoyed for the past 23 years. So here's hoping to meet each and every one again next Labor Day, Sunday, 1963.

High School P. T. A. Meets Sept. 25th

The Appomattox High School P. T. A. will be held in the High School Auditorium Tuesday night, Sept. 25th at 8:00 p.m.

There will be a business meeting followed with a reception in cafeteria to welcome all teachers and new patrons.

Parents, P. T. A. gives us an opportunity to center our whole interest on the welfare and education of children and youths.

We can help to give every child in our community a chance to achieve a life that is satisfying to himself and useful to others.

There is a need for greater effort in working with our youth. Few of us are devoting enough time and effort to this. Their future and ours are definitely together. If we are not interested in youth, we do not have any future.

Adults and children alike — tend to live up to what other people expect of them. If parents and teacher expect a child to be good, or dull, or lazy, he's likely to fulfill their expectations.

So with the P. T. A. it's likely to be as good or as ineffectual as our image of it. If we expect it to be an effective, purposeful organization, we must strive to meet our high expectations.

Your school's P. T. A. can be as helpful as you want it to be.

IN MEMORIAM

IN MEMORIAM — In memory of Mrs. Clarence Drinkard who passed away eight years, Sept. 17, 1954.
God took her home, it was his will.
But in our hearts, we love her still.
Her memory is as dear today
As in the hour she passed away.
We often sit and think of her
When we are all alone.
For memory is the only friend
That grief can call its own.
Mother, we know that you are happy up there —
But we miss you so much down here.
Some day we hope to meet you
And never part no more.
One of the saddest things,
Is being without a Mother.
We love you very much.
Husband and Children

In loving memory of our dear son and brother, Edward J. Gilles, who passed away two years ago September 23.
We do not need a special day
To bring you to our mind
The days we do not think of you
are hard to find.
Now our family circle is sadden-ed in part,
Because of the absence of his loving heart.
He brightened the darkness of many a day,
By the deeds that he did in his sweet kindly way.
Why some things have to happen
It's hard to understand.
But God in his wisdom
Has it all planned.
Though two years have passed at a rapid pace,
There is still no one else who can take your place.
Sadly missed by the family.
